

Invitation to CBS Members, Families and Friends

Summer Fishing Trip Sunday, July 15th, 2018

Boat Departs 5 a.m. Boat returns 3-5 p.m.
NO MORE MEMORIES...TIME TO MAKE IT A REALITY!

We're going on the 50' Erna B Boat
Out of Channel Islands Sport fishing!
The cost is only \$125 a person (including boat, fish cleaning
and tips) based on the minimum 20 person signup.

If you joined us in previous years you know how great it was. If you missed it you've probably heard about it.

It's a great day for adults and kids mature enough to enjoy a 10+ hour day on the water.

It's good fishing weather with surface fish and rockfish just waiting for you. We've caught our limit on every trip.

One-day fishing licenses, rental rods and tackle are all available at the boat at reasonable cost.
