Religious School Room Parent Responsibilities

Room Parents are asked to do the following:

- ✧ Attend Parent Council Meetings regularly.
- ✧ Serve as the Liaison between Parent Council and the class for specific events such as Hanukkah and Passover when additional parent volunteers are needed.
- ✧ Assist the teacher in getting parents to sign up to volunteer in the classroom. (Note: Some teachers like this and others prefer to handle this themselves).
- ✧ Coordinate phone tree if class has multiple Room Parents.
- ✧ Coordinate with Room Parent in other track to coordinate the ordering of food, set-up and clean-up schedule for the class Shabbat. (Note: Room Parents do not have to pay for Oneg themselves as every family in the class contributes to the Oneg at the beginning of the school year. Room Parents will be given an amount available in the budget to use for the Oneg. Any out-of-pocket expenses will be reimbursed by the School within the amount allocated for the class to use.)
- ✧ Assist the teacher in any additional activities the class may be doing.
